

The Lucky Pup, LLC Privacy Policy

At The Lucky Pup, LLC (“The Lucky Pup”, “We”, “Us” or “Our”), we respect your privacy and take protecting it seriously. This Privacy Policy covers our collection, use and disclosure of information we collect through our website (www.theluckypup.com owned and operated by The Lucky Pup, LLC) and through our services and/or Service Agreement. The use of information collected through our service shall be limited to the purpose of providing the service for which our clients have engaged us.

Information Collection, Use and Sharing:

We are the sole owners of the information collected on this site. We only have access to collect information that you voluntarily give us via email or other direct contact from you.

We will not sell or rent this information to anyone.

We will use your information to respond to you regarding the reason you contacted us. We will not share your information with any third party outside of our organization, other than as necessary to fulfill your request.

Unless you ask us not to, we may contact you via email in the future to tell you about specials, new products or services, or changes to this privacy policy.

Your Access To and Control over Information:

You may opt out of any future contacts from us at any time. You can do the following at any time by contacting us via the email address or telephone number given on our website:

- See what data we have about you, if any.
- Change/correct any data we have about you.
- Have us delete any data we have about you.
- Express any concern you have about our use of your data.

Security:

We take precautions to protect your information. When you submit sensitive information via the website, your information is protected both online and offline.

We do not currently collect sensitive information (such as credit card data) online, however, if at a future date we determine it is necessary to collect this type of data via our website, that information will be encrypted and transmitted to us in a secure way. You can verify this by looking for a closed lock icon at the bottom of your web browser, or looking for “https” at the beginning of the address of the web page.

We also protect your information offline. Only employees who need the information to perform a specific job (for example, billing or customer service) are granted access to personally identifiable information.
